

## Become a Member of the Labour Campaign for International Development

We are one of Labour's newest affiliated socialist societies - committed to ensuring that the Labour Party continues to lead Britain's efforts in the fight for a world without poverty & injustice.

Together we've organised campaign trips in the last election, worked with Labour MPs to enshrine the 0.7% aid commitment into UK law, helped shaped Labour Party policy, and put on a wide range of events.

Please help us grow stronger by getting involved and [joining us as a Member](#). Join by filling out the form below and returning it to us at this event - or join online at [LCID.org.uk/join](http://LCID.org.uk/join).
